Institute for the German Language Mannheim

Heidelberg University

- Which models of organizational resp. legal entities promote sustainability of digital research infrastructures?

- Legal status
 - ERIC: European Research Infrastructure Consortium
 - The Members of an ERIC are countries
- Governance
 - General Assembly (representatives from the ministries of the member countries)
 - Scientific Advisory Board
 - Board of Directors
 - Several committees

- Which models of organizational resp. legal entities promote sustainability of digital research infrastructures?
 - Standing Committee for CLARIN Technical Centres
 - Standards Committee
 - Legal Issues Committee
 - Knowledge Sharing Infrastructure Committee

- Which ways of funding are feasible for research infrastructures and how can international cooperation contribute to sustainability?
 - In CLARIN, the Center-oriented infrastructure offers options to include parts of the infrastructure budget of the host institutions to contribute to the shared funding
 - Technical development may be distributed over several partners

- CLARIN Centres: hosting the infrastructure
 - Central services (PID, search tools, ...)
 - Hosting data
 - Training and dissemination
 - Supporting community
